

# Grading Policy

## WIPRO\_FSD Java

The program curriculum consists of a combination of graded quizzes and Labs/assignments. Each of these is spread across the modules of the program and you are expected to test yourself once you are done watching relevant content and have attended the sessions

**Program Duration: 18 weeks**

### Grading Criteria:

Grading Criteria			
Parameters	Count	Marks	Total
No of Quizzes	18	10	180
No of Projects	18	20	360
Attendance -Mentoring sessions	36	5	180
Total			720

### Program Completion:

- In order to complete the program successfully, you need to complete all the weekly graded assessments (quizzes, assignments, projects) with at least 60% marks in each assessment. The assessments are mandatory in nature with a single attempt provided.
- The live/mentoring sessions are mandatory to attend.
- Online weekly video content is mandatory, subsequent videos will be unlocked once the previous video has been viewed with over 90% completion.
- On successful completion of each course in the program, you will be awarded with a grade i.e  
Excel (E) – Scored 80% or more  
Complete (C) – Scored 60% but less than 80%  
Incomplete (IC) – Scored less than 60%

Note -If any change in Grading policy we will update
